

TIME AND TALENT FORM

The Stewardship Ministry has several functions, but they all stem from the time and talents with which God has blessed us. Fulfilling the mission of St. John’s means financial as well as Time and Talent commitments from members. The Stewardship Ministry works to communicate these needs and share opportunities for giving our time and talents. Please take the time to fill out St. John’s Time and Talent Form, so you can help to fulfill our mission.

Pease check or circle the areas of service you may be interested in, and someone will contact you with more information.

Stewards of God’s Grace 1 Peter 4:10

Personal Information (Please complete a form for each person in the family and return by October 20th) Thank you!

Other Gifts/Talents not listed:

St. John is a community of believers with wonderful talents and gifts. Our ministries at St. John's would not be possible without the huge number of lay leaders who give of their time, talents and energy. We pray that each of you will spend time reflecting on all of the unique gifts that God has provided you and find a place or two in our congregation to share your gifts with others in our community.
